Hi· Let's be friends and let's do business ~

My name is Robert Leaman Sanders

We have professional music makers around the world, 300 superstar singers, in 100 different countries, all poised and ready to work with us. Because of the fact that each established current singing star in each individual country has an established and proven *minimum* of 5 million fans, millions of people are *already* involved. The math is clear. 300 singers with 5 million music fans per singer in 100 countries is… ONE BILLION FIVE HUNDRED MILLION people ~ And this is only the beginning ***!!!***

Our new Global Anthem Song. "I SEE MYSELF IN YOU" is a worldwide music program where 300 singers in 100 countries record and release the new song written by Rob Sanders called "I SEE MYSELF IN YOU". Singers in each country will sing "I SEE MYSELF IN YOU" in their nation's languages as our production office provides *professional poetic language translations.* Marketing – promotional campaigns include global radio station airplay, digital streaming outlets per computers and satellites, plus dynamic and exciting follow up live Up-With-People virtual concerts featuring the 300 famous singing stars performing the global anthem, "I SEE MYSELF IN YOU". Careful monitoring by the vast variety of performance Rights Organizations are a serious part of our central business office activities as we always meet our responsibilities. – Especially when it comes to collecting revenue.

The synchronicity experienced in all of this is remarkable. It feels like miracles beautifully unfold and appear as testaments to the good spirit of humanity as these miracles always do.

We all work hard. We all love what we do. We all enjoy the fruits of our labor. All are treated fairly and with dignity. I SEE MYSELF IN YOU ~

Please join us, dear Reader, and become a business partner in the capacity outlined in our written requests.

Sincerely, Rob Sanders
